English

## About Me

I'm a passionate Full-Stack Developer and Creative Coder based in Jaipur, India. I build immersive, high-performance web applications using React, Node.js, and Three.js. I love blending clean code with beautiful design to create digital experiences that are fast, elegant, and satisfying to use.

## Experience

### Freelance Full-Stack Developer

Jan 2024 – Present

#### Self-Employed · Remote

- Built and deployed 3+ client web apps using React, Node.js, and MongoDB.
- Developed a full-featured e-commerce platform with Stripe integration and real-time inventory management.
- Delivered pixel-perfect, responsive UIs with GSAP animations and Three.js 3D elements.

### Open Source Contributor

2023 – Present

#### GitHub · Remote

- Contributed to front-end and tooling libraries; maintained personal OSS projects.
- Explored generative art and creative coding in WebGL / Three.js.

## Certifications & Achievements

### Meta Front-End Developer Certificate

Coursera / Meta

2024

### The Web Developer Bootcamp

Udemy / Colt Steele

2023
